Martin Bush, Potentate

Where did the summer go?

It seems like we were planning our summer events not too long ago!

I hope that everyone had a safe and fun filled summer and are now relaxing as we will be returning to the duties and responsibilities to Al Kader and looking forward to what we have in store for the remainder of 2024!

To recap all the events Al Kader were involved in would be time consuming more than this article should bear, so I will focus on some highlights.

Newport and St. Helens were rainy parades, but enjoyable as nobody who showed up gave up and proudly represented Al Kader. Other summer parades were dry and attended by several Al Kader units.

Reno was a fun trip for all who participated. A Cold Sands was conducted for a Grandson (*and Shriners Alum) of a proud Past Potentate. Our Oriental Band playing during the opening ceremonies was quite an honor. An Al Kader couple renewed their wedding vows and was enjoyed by those who attended the ceremony. Honoring our Grand Master made he and his Lady welcomed to be part of Al Kader.

The East/West Shrine Football weekend was another great success. The annual Breakfast at the RV park was enjoyed by many. The Saturday Tailgate party at the park for the always enjoyable steak and pancake feed and burger lunch and Al Kader Fezzes were present. The football game was another exciting nail biter and a good time was had by those who made the trek from all parts of Oregon and beyond.

Now, back to business...

Al Kader will be holding their September Stated Meeting on

September 12th. This will be a Back to School theme for the dinner at 6pm. Lady Alicia and Chief Aide Lady Debbie Baugh will have a menu to reminisce about. This meeting will return our thought processes to our Fraternal Order from Dark to Light. Many items will be discussed including our financial report and our membership. Both are key to keep our beloved Center operational. Attendance would be greatly appreciated.

A BIG event will soon be upon us. The second annual Wilsonville Music festival will be from September 20th thru the 22nd. This should be a great event as some new artists will be making their WMF debut. If you enjoyed the festival last year, this year will be even better!

A couple of events will be held in early October that should be addressed early. First off is the Al Kader Desert Patrol Oktober Fest on October 5th. Lots of great food and fun will appease the masses! Get your tickets now!

The following week is the Fall Ceremonial on October 12th. It is not too late to bring fellow Master Masons to our Temple! For those who have partaken in past ceremonials, contact your head Noble so you can be included to take part once again. The Ritual Team is always looking for new bodies, so reach out to Noble Allan White if you are interested.

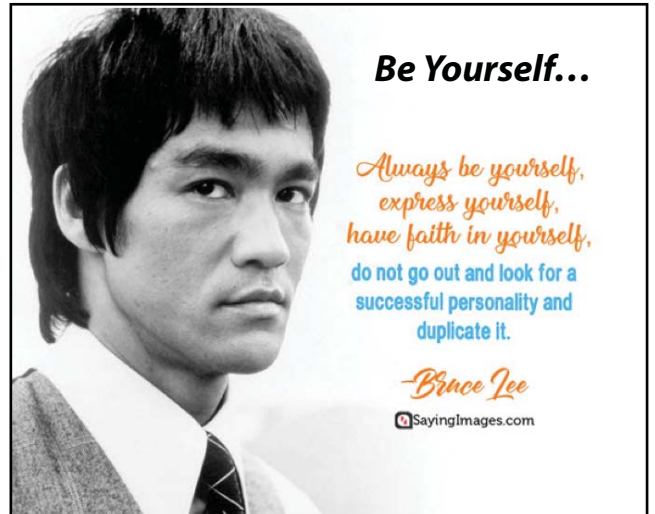

On October 19th, we bring you a double header. In the morning, we will hold our annual Shrine Food Caravan. We are keeping fingers crossed and prayers answered for a greater turn out than we have had in the past. All Nobles are needed to assist with this event. In the evening, a Western Night will be held by our Oriental Band which will be a hoe-down like no other! Great food and music will be had by all who attend!

In closing, I would like to thank everyone who has made this summer one to remember. Fun and fellowship is why we are

Potentate's notes

Nobles and I truly say, I was not disappointed. Financial restraints caused us to tighten the Shriner belt another notch, but even so, this year has been an enjoyable one so far!

Our Quote for September comes from martial arts icon and philosopher Bruce Lee. Although he passed away at an early age of 32, his greatest gift was not his martial arts skills, but his Western and Asian philosophy that he studied while attending University of Washington. Trivia fun fact: Bruce Lee is buried at the same cemetery as another Seattle icon, Jimi Hendrix.

... Until next time

2025 AL KADER DIRECTORY

Nobles and Ladies of Al Kader Shrine,

This year is moving along at a rapid rate, at least in my mind as I think of things that I need to accomplish prior to the Chief Rabban Night and prior to the January installation. When I told I.S. Terry Griffith "yes" it seemed like there was plenty of time to accomplish all of my preparations. Someone once said, "time stands still for no man." I do not know who said this or who told me, however I now fully understand the statement.

IS Martin Bush decided that it was not necessary and in fact an unnecessary budgetary expense to have a directory done for this year. He had solid reasoning and that was the 2023 directory came out later than normal. As a result of this decision the members of Al Kader have been using the 2023 directory.

AL KADER NEEDS YOUR HELP WITH THE 2025 DIRECTORY!

Are you wondering how you can help? It is simple, take a few minutes and review your information in the 2023 Directory. If this information is correct, you need not take any more action.

If the information is not correct, please contact the office by email at: office@alkadershriners.org and update or correct your information. It is extremely important that everyone has your contact information.

I know from personal experience it is frustrating to attempt to contact someone using the information in the directory only to find out that information is not accurate.

I know that we all want to see Al Kader grow, we want to see more involvement in our various clubs, units and associations. Does the secretary have a list of all the nobles that live in your area? If not, why not? Did you know that a list of these nobles can be obtained through Web-Fez? Simply call Rose in the office and she can provide you with a list of nobles living in your area.

I have been told that at one point a directory was available in a digital format which could be downloaded as a PDF. I was not aware of this; however, I will look into it. I am sure that this would be a valuable tool for the nobility.

Forrest L. Hatch
Chief Rabban

Oriental Guide's notes

Kristopher Torrey, Oriental Guide

On August 9, 2024, several Al Kader Nobles and a Lady came together with representatives of the multiple local service organizations and Pacific University to support the 2-218th Field Artillery Battalion of the Oregon National Guard. Over 1,600 Service Members, Family, Volunteers and Support staff were present for the Mobilization ceremony. The 2-218 FA Bn is about to deploy for the next 12 months. Parr Lumber provided and cooked burgers and hot dogs for the entire crowd and did an amazing job.

Nobles in attendance were Bert Little (Clatsop County Shrine Club and Legion of Honor Carey Huckaba Platoon); Michael Kreger, Al Kader Director of Units (Columbia County, Tillamook County Shrine Clubs and LOH Carey Huckaba Platoon); Kris Torrey, Al Kader Oriental Guide (Tillamook and Clatsop County Shrine Clubs, LOH and Shurtah) and Gunner; Ted Johnson, Al Kader Director (Tillamook County Shrine Club, LOH and Shurtah); Brad Horn (Clatsop County Shrine Club and LOH). John Glines (Tillamook County Shrine Club and LOH); and Lady Linda Glines (Neither of the Glines were present for the photo).

Thank you for those who came out to support the troops and the families as many of them are leaving for their first deployment or experiencing this for the first time. For those of us that have deployed in the past know how rough a deployment can be for the service members and their families.

I hope to see a better turn out of Nobles at the return event next year, roughly in August 2025. We had a few Nobles and Masonic Brothers in the troops who are deploying, and it would have been great to see more support for them.

Chaplain's notes

Kenton Wolfe, Al Kader Chaplain

Enough. What is enough? Enough is defined as the degree or quantity that satisfies or that is sufficient or necessary for satisfaction. When do you have enough?

I find it interesting to observe that some people never have enough while others are satisfied. Some people readily share what they have while others do not as they never have enough for themselves. History has many examples of people who readily shared what they had, even when they had very little.

Enough can refer to non-material talents as well as material possessions. Some people readily contribute their time and talents while others are always too busy in their own endeavors. Sometimes those who appear to have the least decide they have enough and share the most.

Many Shrine Masons, their ladies as well as their families typically generously share their time and talents. That is why our organizations are so successful.

What do you have to share? Do you have enough to share?

There are plenty of opportunities around your Lodge and Al Kader Shrine to share your time and talents. Show up, participate, be active and share.

Consider sharing your time, talents, and resources with your Lodge, Al Kader Shrine, as well as Shriners Children's. There are plenty of opportunities. It is as simple as showing up, extending your hand and asking. In today's technical world on-line opportunities exist if you are shy about showing up!

September is the new season start of many things including school and harvest. Make it the start of your renewed activity in your Lodge and Al Kader. There is always a lot going on. Look at our website, this Oasis Magazine or social media. Show up at our events, visit a club or unit. Participate, be active and share. You might even have fun!

We have plenty of examples of those who decided they had enough to share.

"Be willing to share your blessings. The only riches that last are the ones that are given away." David Khalil

Hello From the Al Kader Caravaners Club

by Al Harrison

Al Kader Caravaners had a wonderful time and exciting moments at the Annual East West Shriner Game at Mountain View RV Park, Baker City. This is the Caravaners major camp out each year. In addition to supporting the East/West Football Association, the Club cooks breakfast on Friday at the RV Park consisting of all you can eat, pancakes, scrambled eggs, sausage, juice, and coffee all for asking for a donation. This year donations were \$758.00, which will be donated to the East/West Shrine Game Football Association. We thank Baker City Safeway for their support and donations to help make this event a success.

heavy and blowing sideways. Luckily no Caravaners RVs were damaged. About 20 minutes later the sun came out and there was no wind. JB was taking a nap and slept through the entire event, waking up asking what happened. RV Park attendants, Caravaners and others camped in the park pitched in and had most of the debris cleaned up in a short order. The Hot Dog Stand opened and Caravaners celebrated the "Storm of July 2024" by eating a lot of hot dogs, side dishes, chips and enjoying a little libation. The Caravaners next camp out is at Culver/Redmond KOA. If you have an RV and are interested, contact Noble Danny Adamson.

The exciting moment was on Wednesday evening July 24th, Harrison's Hot Dog Stand was to open around 4:00 PM for Caravaners and guests. BUT!! Mother Nature had a different plan. RV Park personnel came around telling everyone to batten down the hatches, a storm was moving quickly into the area with winds of 70 mph plus. Well, the storm came with a vengeance, a couple trees and a lot of limbs were blown down all over the park and rain was

Caravaners Culver Campout 2024

August usually has lots of sun and high temperatures, not so much in Oregon and when a Shrine event is planned... The Second Annual Shriners Campout, hosted by the Caravaners, was held August 21-25 at the KOA in Culver (between Redmond and Madras). We had 6 RV's and two cabins for this campout for this great weekend.

Unfortunately, with such a long hot summer, the weather decided to change and it was cold with a great thunderstorm with wind and hail that turned the ground white. It was pretty exciting for a little while, but with the Shriner attitude, we persevered. With the help of extra heavy coats, blankets and two gas firepits.

There was great food, great company and great fun. The game of the weekend was cornhole, followed closely by a quick game of pinochle. Unfortunately, Noble Ron Henderson couldn't make this year's campout, but I am sure he would have been victorious or maybe not.

The essence of this campout is fellowship and getting to know each other, in an unlikely Shrine environment. It was very relaxing and the park offers a great swimming pool, play area, small store, cabins and tipi's to rent and it's own all you can eat breakfast for \$10! The highlight was the kids glow parade, Saturday night. A perfect place for your kids or grandkids to enjoy!

This year, some campers further took advantage of Central Oregon by attending the Madras Airshow, trying their hand at fishing at the nearby Haystack reservoir and visiting nearby Smith Rock State Park. It was a relaxing and fun time with lots of great food and conversation. We have already made plans next year for August 6-10 and everyone is invited to come and join us. There are cabins, RV sites and tent sites so make your reservations now.

A PICNIC AT OAKS PARK

By Forrest L. Hatch
Chief Rabban

On August 10th the Grand Lodge of Oregon sponsored a youth appreciation picnic at Oaks Park in Portland. The youth from the various masonic groups and their advisors were invited. You might be asking yourself, "why is this significant or important to Al Kader Shriners?" The answer is a simple one, the youth of today is the future of tomorrow!

There is a strong possibility that these young men will become Master Masons and leaders within our fraternity. The young women might join Eastern Star, Daughters of the Nile or Ladies of the Oriental Shrine becoming leaders within these organizations.

WB Wayne Metz, chairman of the Masonic Youth Activities Committee did an outstanding job in organizing this event. The picnic was attended by approximately seventy members of the various masonic youth groups. The youth were joined by several of the adult advisors, each of these individuals do a wonderful job in the support and guidance they give our masonic youth.

Members of Al Kader Shrine had the opportunity and privilege to cook the hamburgers and hot dogs for this event. It was a pleasure to observe the youth interact with each other and have a good time.

I would like to thank the following individuals for their dedication, support and the work they provided; Ralph Jubb, Ron Eggers, Warren Grey, Robert Phillips, Jay Carey, Gillan Bradley, Jason Zwick, John and Barb Wilde. I apologize if I have inadvertently left anyone off of this list.

Al Kader History Mystery #4

John Smith, Historian
Nathan Alexander - Assistant

Question: A man usually serves as Al Kader Potentate for one year. But sometimes he serves again, sometimes because he loves the job, sometimes out of duty and sometimes because he can't say "NO". So, who are the three Past-Potentates who could not say "NO" and served more than one year as Al Kader's Potentate?

Answer: The "first one" was Irving Pratt who served from 1888-1901
George Hill was the "second" and served from 1902-1906
Terry Griffith was the "third" and served in 2021 and 2023.

If you have an Al Kader History question you would like answered, email (starmason@aol.com) it to me and I will try to find an answer and get it to you.
