Potentate's notes

Martin Bush, Potentate

Greetings to all...

We are now in the pumpkin spice latte, football and hockey, and leaves turning season. I love this time of year as it brings Lady Alicia and I comfort when our beloved Seattle Kraken, Seahawks, Washington State Cougars, and my Packers, Wisconsin Badgers, and Oregon State Beavers are playing. I hope you are enjoying your fall teams as well.

I hope those who attended the Music Festival enjoyed the variety of music that was presented. We hope this continues to grow a fan base for next year. Big events are coming for October and each one will be a fantastic experience. Desert Patrol's Oktoberfest, Fall Ceremonial, Murder Mystery Dinner, Food Caravan and Oriental Band's Western night, (and my birthday) are all in store for this month.

We need to address once again an ongoing serious matter regarding Al Kader and the urgency of rebuilding our membership and revenue. Recently, I had a lengthy conversation with our own Imperial Outer Guard, Dale Vrsalovich, who enlightened me on some key issues that we are currently facing. Sadly, what we are encountering is also a serious issue with the rest of the Pacific Northwest Temples.

Here are two major issues that needs to be addressed ASAP before it is too late...

Stated meetings. All of the Oregon and Washington temples have seen a dramatic reduction in attendance for stated meetings. We cannot set blame on COVID as that has run its course.

A Survey Monkey will be sent out to every Al Kader Noble to ask why Nobles are not attending Stated meetings, whether in person or on zoom. I would like to find out why there is such a dramatic decrease in attendance. Nile, Afifi, and Hillah are all suffering the same fate and nobody can figure out why.

Losing our Temple. Al Kader will slowly follow Afifi and Hillah and hold our meetings at other venues if we do not grow financially as well as with membership. I personally do not want to see this happen, and neither should you.

Obtaining donor and estate contributions is not going to keep our doors open if we do not do something drastic to bring new members

in. Our last Stated meeting showed about one out of ten Nobles who raised their hands when I asked if they had brought a new Noble into Al Kader this year. We lost 4 Nobles to the Black camel just in one month's time.

We unfortunately live in a social demographic climate that does not look upon fraternal organizations as positive influences. Where we are struggling, East Coast Shrine temples are thriving.

I would suggest what I was told by an Imperial Officer back at AR school. Go on Facebook and follow a thriving and growing Shrine temple. I have been following Ainad Shriners in St. Louis Missouri for years now. I know no Noble that is affiliated there, but I am astonished on what they do every month to keep their Nobles occupied and proud of being part of that Temple. They are constantly busy with event and money-making projects. Hopefully these other temples can raise a spark with you to try something new to bring in members and bring those Nobles back to our humble home.

Our conversation was a wake up call for me as I have been mentally struggling to figure out why these two abovementioned items have been such a huge impact to the future of Al Kader. It is up to each club and unit to build our membership up. We need to motivate everyone to do their part to bring our numbers back up to what they once were.

Over 100 years is a great legacy, but the University I graduated from closed its doors after 115 years due to financial instability and we are on the same course if we do not act now and get this boat from sinking into a dismal abyss.

Our quote this month is from someone everybody knows. Fred Rogers touched us in ways no other TV celebrity could ever have. His kind words and personal attraction to us made growing up less chaotic and gave us a sense of reassurance that we are all special in his neighborhood.

Until next time...

Assistant Rabban's notes

Jay Carey, Assistant Rabban

Nobles one and all,

On Friday September 6th, several members of the Divan and nobles from the Central Oregon Shrine Club travelled to Burns for the annual Harney County Parade and auction. The weather was good, the smoke was light until Sunday when it started getting thick and making the air quality turn to uncomfortable. Travel home was Sunday morning and we all drove through heavy smoke most of the way until we got over the Cascades. The highlights of the weekend started with the annual steak grill at Noble Bill Quier's home. We all had a very enjoyable time and there was much socialization amongst the crowd that was there.

Saturday morning was the Cattlewomen's Breakfast which provided a hearty and delicious meal before gathering for the Parade. During Breakfast we sat with a young lady who was a Shriner Children's kid and over the years had 25 surgeries. We also met one of the FFA young ladies who had a market beef entered in the upcoming auction. Next for the day was the line-up and participation in the Parade. This was the 100th Anniversary for the Parade, Fair and Auction. The Parade had one of the largest number of participants and horses participate. The Shrine contingent was represented by your Divan (and Gunner) walking the Parade route, which this year was longer than in years past, as well as the Central Oregon go-carts and fire engine, and a clown on his mini-motorcycle.

The afternoon found us at the Fair Grounds for the Auction. There was a fairly large turnout from the community and there was a large number of animals that were presented for auction. Throughout the auction numerous buyers "donated" their win to our Shriner Children's Hospital. The following is a breakdown of the donated animals: Lamb - 427lbs; Goats - 388lbs; Beef - 3,973lbs; pork - 2,441lbs for a total of 7,229 lbs. The monies earned will be presented the evening of the Food Caravan.

Sunday morning your Divan attendees packed the cars and headed to our homes on this side of the mountains. All in all it was a fantastic weekend and our presence was noted by many of the Community members who expressed their gratitude for our being there to support their Community. We told them we will be back!!

Jay Carey,
Assistant Rabban

Chaplain's notes

Kenton Wolfe, Al Kader Chaplain

In recently cleaning out some files I found this article. Ten ideas for your life. I see some of our Masonic/Shrine precepts here.

- 1.) Throw out nonessential numbers. This includes age, weight and height. Let the doctors worry about them. That is why you pay them.
- 2.) Keep only cheerful friends. The grouches pull you down.
- 3.) Keep Learning. Learn about the computer, crafts, gardening, whatever. Never let the brain idle.
- 4.) Enjoy the simple things.
- 5.) Laugh often, long, and loud. Laugh until you gasp for breath.
- 6.) The tears happen. Endure, grieve, and move on. The only person who is with us our entire life is ourselves. Be alive while you are alive.
- 7.) Surround yourself with what you love, whether it is family, pets, keepsakes, music, plants, hobbies, whatever.
- 8.) Cherish your health. If it is good, preserve it. If it is unstable, improve it. If it is beyond what you can improve, get help.
- 9.) Don't take guilt trips. Take a trip to the mall, even to the next country, to a foreign country but NOT to where the guilt is.
- 10.) Tell the people you love that you love them at every opportunity.

And always remember: Life is not measured by the number of the breaths we take, but by the moments that take our breath away.

There is always a lot going on in your local Lodge and at Al Kader. You might find some ideas for your life. A mantra I like is fun with a purpose. Show up and take part and you might find you gain much more than you give.

Kenton Wolfe, Al Kader Chaplain

Letter from the Administrator Back to School Sports

As the fall season arrives, it's back to school and to team sports! It's always a great time to spread the word about our daily Walk-in Fracture and Sports Injury Clinic. Not only does this clinic give quick access to care, but it also provides the right venue of care for kids and teens. In healthcare, you sometimes hear the old saying, "*kids and teens are not mini adults.*" Pediatric orthopedic treatment for growing children and teens with broken bones and injuries differs from typical adult treatment for similar injuries.

In Portland and across the Shriners Children's system, our sports medicine physicians and other clinicians collaborate on advancing research on the latest and best treatments. At the end of September, Shriners Children's Portland will be hosting the 2024 Shriners Children's Sports Medicine Conference. This meeting will feature Shriners Children's sports medicine physicians and other experts from across our health system with a goal of advancing the best sports medicine care of all kids and teens.

Sincerely,

***Dereesa Reid
Administrator***

A MAN WITH A PLAN

Question: What was the name of the Al Kader Past Potentate who purchased Portland's first Shriner's Hospital for Crippled Children after it closed?

Clue: He served as Al Kader Potentate in 1959.

Answer: Illustrious Sir John D. Goss, Past Potentate

Al Kader History "Dept." seeks to help each Noble know more about Al Kader not to fool, puzzle or make you find the answer, regardless of where you live.

WHAT'S IN AL KADER

Remember: "Al Kader History" strives to teach you, not to fool you. Thus, here are the "questions, "clues" and "answers" to this month's mysteries.

Question: The names of most Shrine Temples reflect an Arabian theme. Our temple is named "Al Kader" but what do those foreign words, "Al Kader", mean when translated into English?

Clue: Many powerful meanings of the words "Al Kader" are blown across both the "cold sands" and "hot sands" of the desert by a strong or mighty force!

Answer: The powerful, "the wind", "the strong" or "the mighty"

How many times have all Shriners responded to starmason@aol.com with answers to the 6 mystery questions?

Al Kader Patrol...

What a wonderful parade season we've had from The Dalles last April through Astoria this August. Shrine families rode with us in our van, followed by Shriners from our Patrol and other local masonic groups like the Silverton Masonic Lodge and the Clatsop County Shrine Club waving to the crowd from our float. We introduced several of our six new E-bikes riding in formation around our float. We ended most parades with a family luncheon in the cities we honored. We'll close out the parade season with the Veterans Day Parade November 11th in Albany.

Now, it's off to an amazing array of Shrine social activities as we prepare for next season. We'll present Shrine flags and share dinner with fellow Shriners at formal dinners and Stated Meetings. We'll host ice cream socials (Shriners' Kids Sunday, beginning October 27th) featuring free ice cream sundaes, root beer floats and a kids' movie in the Shrine Center—bringing all Shrine families and our own kids together. We'll welcome motorcyclists and their gifts of toys to Shrine Children's hospital in early December. And we'll embark as full families on one or two recreational excursions like a short train trip, a river cruise, or a comedy club visit. Our ladies group, The Dining Divas, enjoy casual conversation at local restaurants each month. Some of our members and their wives gather informally for dinner on Fridays at the Tigard American Legion.

We're adding members like crazy and would welcome you and your family's inclusion. Send us a text or just call and we'll get right back to you — or happily forward your interest to a fellow parading Shrine unit of your choice.
