## **COME ALIVE IN 2025**

Nobles and Ladies

Lady Linda and I are extremely honored and privileged to be able to serve each of you and Al Kader Shrine as your Potentate and First Lady for the year 2025. We thank each of you for your trust and support. As I have mentioned on various occasions, "Al Kader Shrine" does not consist of just those of us who live near Portland or in the valley. Each and every noble and their lady are in important part of Al Kader Shriners. As we work together for the benefit of Al Kader Shrine let's remember it is a team effort, each and every individual is a vital part of the team.

Our devotion to the children that our philanthropy represents, is utmost in our minds and will continue to play a vital part throughout this year and our lives. A gift of time is a gift of love, each and everyone of us give that gift each day.

Dedication has no bounds, working together we can make a profound difference in the life of each and every Shriner Child. "As Shriners we look beyond ourselves to serve the needs of others, especially children who cannot help themselves. We believe Shriners Hospitals to be the world's greatest philanthropy, and we covenant with each other to support its "temples of mercy" with spirit, time, talent and means."

As your Potentate I assure each of you that the elected divan, finance committee are very aware of the financial situation of Al Kader. We are determined to continue

As your Potentate I assure each of you that the elected divan, finance committee are very aware of the financial situation of Al Kader. We are determined to continue working on this issue, this year we eliminated twenty five percent of the Chief Raban's available operating funds during his year as Potentate. In past years the Chief Raban would receive one hundred percent of the funds from renting our facility. Within four years the entire income from renting the building will go into the general operating funds.

This year we had two successful fundraising activities which were the Music Festival and the Harley Davidson Raffle. The music festival netted \$12,000.00; the motorcycle raffle netted \$8,000.00 of those funds \$15,000.00 will be used for activities as Al Kader "Comes Alive in 2025." We are going to continue to grow the Music Festival with this plan in mind \$5,000.00 will remain in that account for seed money.

I appreciate the support and trust of the nobility; I intend to work diligently, to the best of my ability to help Al Kader grow and become closer as a family.

# Potentate's notes

Nobles,

It is that time of year again, new club/unit officers are elected and installed. Sometimes it is the same nobles who are elected to continue to serve. Sometimes it is not, it is a new noble who steps up to serve.

Either way, AI Kader needs your assistance! The hard-working office staff are diligently working on the 2025 Directory. This directory is only as good as the information within it.

I am still using the last published directory; this year AI Kader will have an updated directory.

Please let the office know what noble is serving your club/unit in what position for the year of 2025. If we do not receive updated information, then the information will not change in the new version of the AI Kader Directory.

Thanks,  
Fraternally,

Forrest L. Hatch  
Potentate  
AI Kader Shriners

# Chief Rabban's notes

Nobles All,

First I want to express my "Thanks" to each of you for electing me as the Chief Rabban and Imperial Representative for the ensuing year. It means a lot to Lady Winnie and I that you have the faith in us and are willing to support us for the next few years. I know that we will endeavor to meet your expectations and help to make Al Kader grow and prosper.

Your Divan are looking forward to an active and fun year and appreciate every Noble, Lady and youth group member to gear up and join in. As has been said "This is your Temple not the Divans" so please consider each and every opportunity to provide your time, talent and ability to join in the fun and fellowship.

This year we will be hosting the Annual Music Festival, Super Bowl Chili Cook-off, PDXotica (a new and exciting event), the annual garage sale, and more to come. These events are to help put funds back into our coffers and we will ask for your help and support to make these successful. Once again, thank each and every one of you for your belief in us and we look forward to seeing everyone throughout the coming year.

Jay Carey, Chief Rabban 2025

# Chaplain's notes

As we embark on a new year it is an exciting time in your Lodge and at Al Kader Shrine. We are starting the New Year. Our new Potentate I.S. Forrest and Lady Linda, their staff and Divan have exciting plans for the New Year. As you make your plans for the New Year, include participation in Al Kader Shrine activities, as well as your local Masonic Lodge. What great New Year's resolutions!

I have been a Shrine/Mason for many years and can attest to the fact that you can get much more out of our fraternal activities than you put in. But you must put something in. If you do not show up or participate in your Lodge and Al Kader it is difficult to know the rewards of participation and the satisfaction of supporting our Shriners Children's Medical System.

There are many opportunities in clubs and units for people of many interests. Attend our meetings and socials, visit clubs and units. Find something that interests you. Many activities include your Lady as well as your family. Take a look at this publication as well as our web site to see all of the events and activities that are going on at Al Kader. Ask another member how they participate and what they like.

One aspect of the Shrine that I have found rewarding over the years is meeting so many people of various backgrounds, experiences and interests. Where else can you find such diversity of people with a common bond and objectives? But you must show up and extend your hand to take advantage of this experience.

One of the activities at Al Kader this month is our annual Necrology Service that will be included in our Stated Meeting where we remember those who we lost to the Black Camel this past year. It has been said that one really only dies when we stop talking about and remembering them. Please turn out not only for our meeting, but for this brief service to help us remember those who are no longer with us. We also need to remember their loved ones left behind. A call, note or visit can be a true demonstration of our fraternity.

Also, as we embark on another new year, this time of year after the holidays can be a lonely time for some people. Do you know a Brother, Noble, or a Lady who might be alone? Give them a call, take them out for coffee, or take them to Lodge or a Shrine activity. Let's reach out to those who might need us. Let us practice brotherhood.

"Sometimes the smallest steps in the right direction ends up being the biggest step in your life."

Kenton Wolfe, Al Kader Chaplain

# High Priest & Prophet's notes

Welcome to the New Year Nobles,

I would like to start by thanking all of you for electing me as the Al Kader High Priest and Prophet for 2025. Being a Shriner has always been a goal in my life, and serving you, Al Kader, and Shriner's Children's is my passion.

This next year will be filled with amazing things as planned by IS. Forrest Hatch. We hope to see more involvement from the Nobility and more growth over the year.

This year myself and Noble Dennis Harris, Oriental Guide, have been tasked with the Food Caravan, so expect to be hearing from us soon. We want to get started as soon as we can.

I look forward to another year serving Al Kader and meeting more Nobles along the way. I hope to see more of you at Stated Meetings and events.

Noble Kris Torrey  
Al Kader High Priest & Prophet

# First Ladie's notes

The New Year is here, both Forrest and I are excited. We hope everyone will come and join us and "Come Alive in 2025". It should be a fun year full of socials and activities for all of us to enjoy.

As you all probably heard our motto is "Gifts of Love", something we give not just to our family and friends but the each other. We also give "Gifts of Love" to the Children of the hospital.

Forrest and I have been Ambassadors at the hospital each Tuesday afternoon for the last couple of years. There we are able to meet and greet some of the patients and their parents as they are waiting for their appointment. We can always tell a new patient, because the parents seem a bit nervous prior to their appointment and a big smile is on their faces afterwards. They have found a place that helps their child. What a wonderful gift.

About a month ago we met a young girl, about 8 or 9 years old carrying a set of leg braces. When I asked if she got new braces, she had a BIG smile on her face and said "Yes and they are purple too!" What a wonderful gift.

We have patients who come over to us and give Forrest a big hug (they like the fez) and thank the Shriners for what we do. We have parents who shake our hands and thank us for what we do. What a wonderful gift.

So as the year goes on and there may be days when we wonder, why we are doing what we are doing, remember it's the "Gifts of Love" we are giving and receiving.

Lady Linda Hatch

## FIRST LADY'S PROJECT 2025

### MUSIC THERAPY

#### Shriners Children's Portland

Music therapy can help provide comfort during a procedure, act as a distraction to help with pain management, or to improve your child's sleeping patterns. Music therapy also helps build social skills, improve communication, and helps with impulse control.

**Annual Cost: \$8,320 –  
\$24,960**

#### American Music Therapy Association

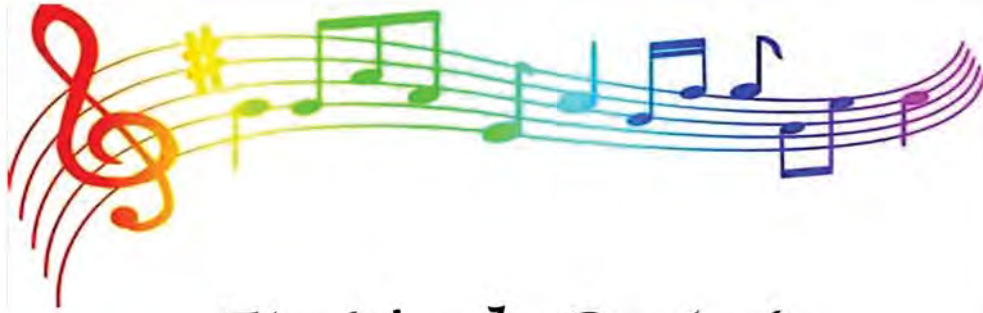

##### *How Does Music Therapy Make a Difference with Young Children*

- Music stimulates all of the senses and involves the child at many levels. This "multi-model approach" facilitates many developmental skills.
- Quality learning and maximum participation occur when children are permitted to experience the joy of play, The medium of music therapy allow this play to occur naturally and frequently.
- Music is highly motivating, yet it can also have a calming and relaxing effect. Enjoyable music activities are designed to be success-oriented and make children feel better about themselves
- Music therapy can help a child manage pain and stressful situations.
- Music can encourage socialization, self-expression, communication, and motor development.
- Because the brain processes music in both hemispheres, music can stimulate cognitive functioning and may be used for remediation of some speech/language skills.

# CONCERT BAND

By Noble Jeff Zimmerman

As we start the New Year we look fondly upon the closing weeks of 2024. In October we formed a small Bavarian Band with members of the Concert Band and had a great time playing waltzes, polkas, and marches for the Al Kader Oktoberfest presented by the Desert Patrol.

In December we took our program outside of the Shrine Center and performed a couple Holiday concerts. First at St. Mary's Home for Boys in Beaverton. The young men there really enjoy a touch of holiday cheer, and the band loves playing for them.

A week later our 20-piece group returned to Jennings-McCall Senior Living Center for a Holiday Concert. We play there 3 or 4 times a year and are always enthusiastically received. Our December concert attracted an even larger audience than usual and generated many very positive comments from the residents and staff.

Our band enjoys sharing our music, not only in the Concert Band configuration, but in smaller groups and different genres as well. If you have a specific theme you would like to have music for, contact us, we'll see what we can do to add to your celebration.

And of course, if you would like to be involved with the merry-making musicians of Al Kader, we have a spot for you.

# ***ABATE Motorcycle Run to Shriners Childrens***

On a dreary, rainy, December morning, the annual ABATE motorcycle run didn't disappoint. Our Desert Patrol greeted the riders at the starting point as they have done in the past few years. The loud rumbling sound of motorcycles heading up to "Pill Hill" made everyone excited with anticipation. Slowly, motorcycle clubs from all over arrived to bring good cheer and presents to the patients and families at Shriners Childrens. The riders met with the patients, had their pictures taken with them, and enjoyed a warm beverage and cookies from our Patrol Nobles as the riders mingled amongst one another. Our East/ West Ambassadors were present and passed out some Shriners Childrens swag to the riders. I met with a Latino motorcycle club I noticed they were wearing past Potentate pins on their leather motorcycle vests, so I happily passed out some of my pins for them to adorn their collection on their vests as well. Although the weather was bad, the turnout was amazing and Shriners Children appreciated the riders that braved the elements to make this annual event a success.

Dear Desert Patrol,

On behalf Shriners Hospital, I would like to extend our heartfelt gratitude for your help to help at the 2024 ABATE Toy Run benefiting the Portland Shriners Children's Hospital. Your efforts not only energized our other supporters but also greatly contributed to the overall success of our event.

We are thrilled to report that the Toy Run was a great success, and your support played a key role in this achievement... Nothing makes motorcyclists happier than a hot cup of coffee and a doughnut.

Once again, thank you for your time and generosity. We are proud to be supported by such noble individuals as yourselves.

We do not lose the ones we love, They only go before.  
 Where there is everlasting life, Where sorrow is no more.  
 And there the soul will always live, And peace is everywhere.  
 We do not lose the ones we love, God takes them in his care.
