Nobles and Ladies

It is the season for PARADES, this is the time of year that as Shriners we all shine, participating in parades, enjoying the fellowship of our fraternity. As we participate in these parades let's remember why we attend them, after all it is not just for us it is for the children.

As a child I remember attending a fourth of July parade with my mother, this was a special occasion because most of the time she was working helping to support our family. While we were watching the parade my mother asked me what I wanted for my upcoming birthday. As I was thinking how to answer her question, I saw several little red cars being driven down the street by men wearing a funny red hat. I immediately knew what I wanted for my birthday!

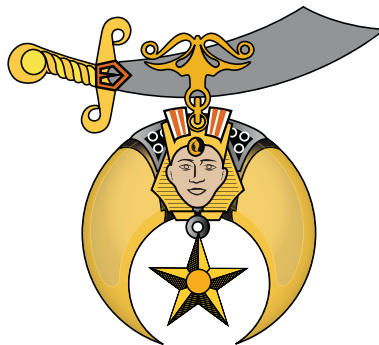

I pointed to the men in the little red cars wearing the funny red hat and told my mother I wanted a red hat like that, she smiled and said something to the effect of "that is something that you have to earn, I can't buy that." It was many years later that I understood what she meant and now I proudly wear my Fez at every opportunity.

I encourage each of you to reflect on what being a Shriner means to you personally, why you became a member and how you can support our fraternity more. Wear your fez when appropriate, a hat, a shirt, lapel pin or any other item that indicates that you are a Shriner. Tell your neighbors, friends and colleagues about the fun and fellowship you enjoy as a Shriner!

When we are out in the public, we not only increase the public's awareness of the Shrine we also have the potential to attract new members.

Shriner's Children continues to grow, recently opening another clinic in Redmond, taking care of more children than ever before. In 2024, our hospitals and clinics saw more than 61,000 new patients. Let's continue to work together diligently in every way that we can to promote, support Al Kader Shriners and our wonderful philanthropy.

Forrest L. Hatch
Potentate

Chief Rabban's notes

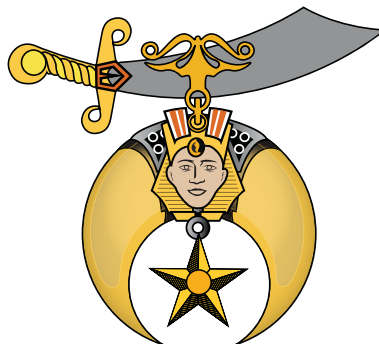

Spring has sprung March 20th and so we begin the Parade Season. Please inspect your various implements that are used in the parades and make sure they are serviced, ready to go and SAFE . If you are uncertain about a Parade or logistics contact our Director and Assistant Director of Units as they are working diligently on making this a banner year for Parades.

Even more important is the recent Spring Ceremonial on March 29th. To make this Ceremonial a special memory for those candidates who joined us and were Fezzed, we are asking every Noble to make every effort to welcome the new Nobles and their families when you see them . The Ritualist and the Oriental Band made sure that the Candidates were welcomed into Al Kader Shrine. Let's get the fun and fellowship showing to the new Nobles and their families. To our Club and Units, we thank the representatives that came out and provided some time for the new Nobles and family who came into the Sun Room and wandered through the room and visited with

the Clubs and Units. It is hoped that all the Clubs and Units had a chance to solicit new members and grow each Club and Unit. In addition to the Ceremonial, several members of the Divan traveled to Bend on March 12th and conducted a Cold Sands Initiation on two Candidates. We were warmly welcomed by the Central Oregon Shrine Club who help out with the Initiation. All in all we are working on growing the Temple and bringing Shrinedom to the Al Kader many territories we represent.

We'll see y'all on the road (and at the Temple) and let's show the Fez as we represent our Nobility across the State.

Jay Carey, Chief Rabban

Assistant Rabban's notes

The Outward Mindset

I just returned from Assistant Raban school in Tampa. It was a great opportunity to prepare me to better serve Al Kader. It also gave me an opportunity to meet with my counterparts from Shrine centers across Shriners International and share ideas.

One of the highlights was the report on the status of our hospitals. It was reported that, for the past few years, we have been able to meet the expenses without touching the principal of our trust fund. We should be proud of our efforts to support our philanthropy.

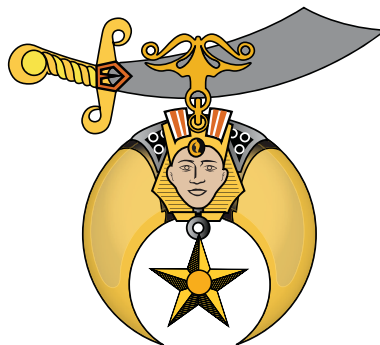

The biggest take-away for me was the session on the Outward Mindset. This presentation was based on a book by that title that was assigned reading for all in attendance. It dealt with the way we communicate and interact with others. Most of us usually have the opposite, an inward mindset. In other words, we are so focused on what we

need or want to accomplish that we see people and situations in terms of what they can do to help us meet our goals.

While it is good to be focused on our needs, we should also be aware of the needs of others; especially those we are looking to for help. With an Outward Mindset we can still pursue our goals but with a willingness to consider what others may need from us. If the parties on both sides of an issue use an Outward Mindset they can find a way to cooperate with each other to accomplish everyone's goals. Together we can accomplish much more than we can alone.

An Outward Mindset is what we should always employ when dealing with our brother Nobles.

Blair Hill, Assistant Rabban 2025

Chaplain's notes

Gratitude is the feeling of thankfulness and appreciation for the positive aspects of life. It can significantly affect your health and well-being, fostering conscious efforts to recognize and appreciate the good things in your life, which can lead to increased emotional resilience and overall satisfaction. You can express gratitude through simple acts, such as saying thank you, writing notes, or reflecting on what you are thankful for.

We can be thankful for what we have, rather than dwelling on what we don't have. We can look for signs of gratitude all around us. We all have much to be thankful for. I have heard it suggested that we make a list of what we have to be thankful for. It can be an exercise that might make one feel more positive about life in general. Being grateful can lead to increased happiness.

How do you express gratitude? One way is simply thank and tell people of your gratitude. There are many signs of gratitude around you if you look.

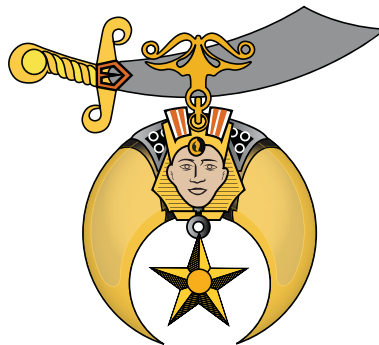

Practice gratitude and give thanks to those around you. Simple acts of gratitude can have great impact on those around you.

I am grateful for my lodge and Al Kader Shrine activities. Through my activities in these organizations, I have had the opportunity to meet and spend time with many fine people. It is also great to be part of the organization that supports the world's greatest philanthropy – Shriners Children. I am also grateful for the fun and fellowship. (The food is always good too.)

Show up, support, and participate in our many activities at your Lodge and at Al Kader Shrine. There is a lot going on that you might find of interest and also have fun for a good cause. There is much to be grateful for.

"Gratitude is the healthiest of all human emotions. The more you express gratitude for what you have, the more likely you will have even more to express gratitude for."
Zig Ziglar.

Kenton Wolfe, Al Kader Chaplain

High Priest & Prophet's notes

March was an extremely busy month. I started off going to Tampa for Oriental Guide School. This was an amazing program. There were over 400 Nobles and Ladies from all over the world, coming together to learn to be great leaders in our Fraternity. This seminar included Leadership, Shrine Law, how to include Family in the Shrine, Membership, Finances and much more. There were even sessions for the Ladies to learn about their roles in their respective Shrine Centers. There were parts that were quite eye opening, and also quite a bit that reinforced what we are doing at Al Kader. I came back from this seminar energized and ready to continue to serve Al Kader, the Nobles and their families.

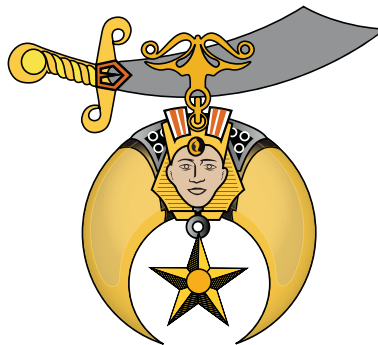

I had the opportunity to go to the Clambake Music Festival where I spoke with many patrons and administrators about our Wilsonville Music Festival, coming up September 19-21. This is our 3rd time holding this event and I would highly encourage every Noble and every Lady to come to listen to some great music and support our Temple. There will be an event rate at the Best Western near the Shrine Center. I would also encourage each club and unit to sponsor the Music Festival in some form. Be it from making a donation, taking out a sponsorship for a venue, supporting the hospitality room for the musicians and staff, and make a donation to Lady Winnie Carey's silent auction.

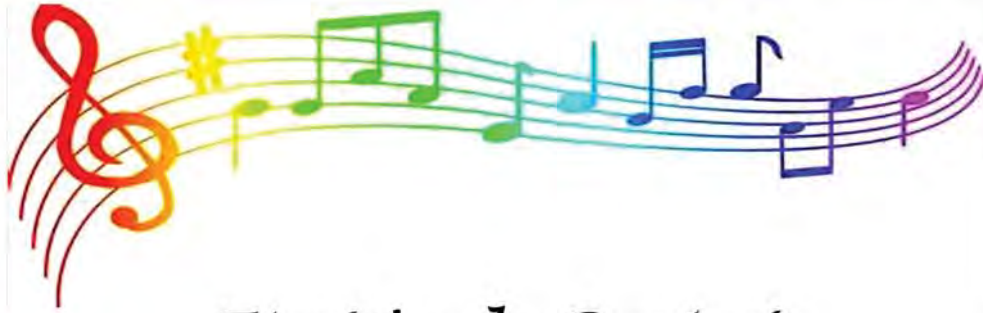

We are also working on having an Al Kader Golf Tournament this year. IS John Nerski is working on securing a course and I am working with Dixson Golf and Charity Golf Tournaments to make this an innovative and successful event. Please keep your eye out for more information in the near future.

Lastly, I have started communication with Shriner's Children's Portland for the 2025 Food Caravan. So this is the time to start to make contacts with local businesses in your area for donations for the food caravan. As soon as I receive the 2025 needs list from the Hospital, I will send it to every club and unit leader.

Thank you all for all you have been doing to make Al Kader "Come Alive in '25." Al Kader is each and every Noble, their wives and families. Without all of you supporting the Hospital, our building and each other, we are nothing. As we hear all the time in our Lodges; the lodge is not a building, but the Brethren within. Without those strong bonds of family and Brotherhood, we would not be the premier fraternity and philanthropic organization.

High Priest and Prophet

MUSIC THERAPY

Shriners Children's Portland

Music therapy can help provide comfort during a procedure, act as a distraction to help with pain management, or to improve your child's sleeping patterns. Music therapy also helps build social skills, improve communication, and helps with impulse control.

**Annual Cost: \$8,320 –
\$24,960**

American Music Therapy Association

How Does Music Therapy Make a Difference with Young Children

- Music stimulates all of the senses and involves the child at many levels. This "multi-model approach" facilitates many developmental skills.
- Quality learning and maximum participation occur when children are permitted to experience the joy of play, The medium of music therapy allow this play to occur naturally and frequently.
- Music is highly motivating, yet it can also have a calming and relaxing effect. Enjoyable music activities are designed to be success-oriented and make children feel better about themselves
- Music therapy can help a child manage pain and stressful situations.
- Music can encourage socialization, self-expression, communication, and motor development.
- Because the brain processes music in both hemispheres, music can stimulate cognitive functioning and may be used for remediation of some speech/language skills.

NEWS FROM CENTRAL OREGON

COSCFEZ DINERS, CAFES & PUBS

For our February lunch, we met at Red Robin on the banks of the Deschutes in the Old Mill District or Bend. We have developed a great and long lasting partnership with Red Robin, who started supporting Central Oregon during the Shriners Run in 2012. Each year they have continued to support the Club with donations for our activities. Last year they donated \$200 in gift cards for our Crab Feed.

NEWS FROM CENTRAL OREGON

COLD SANDS

A Cold Sands was conducted on March 12th, just prior to the Central Oregon Shrine Club's meeting. IS Forrest, CR Jay and Recorder Ron traveled over the mountains to initiate two new Nobles. Vic Borlaug and Greg Issacson were made the newest Nobles in Al Kader at the Ceremony. Immediately following the Cold Sands Central Oregon held their dinner and meeting with over twenty in attendance. Central Oregon would like to thank the Divan for traveling to Bend and initiating our candidates.
