Potentate's notes

WHY?

By Forrest L. Hatch
Potentate 2025

Nobles and Ladies of Al Kader,

Have you ever asked yourself “why” did I . . . become a Mason, a Shriner, or join Eastern Star, York Rite, DeMolay or any of the other fraternal organizations? As a thought-provoking idea, I ask and encourage everyone to ask themselves this question. Honestly consider if you are living up to or exceeding your commitment that you made those many years ago. I admit that each and every day, I strive to live up to my commitment, some days are easier than others.

Well for me, I first noticed Shriners, on the fourth of July, driving their little red cars in a parade in Monmouth, Oregon. I was standing on the curb watching the parade with my mother. My birthday was coming up. My mother asked me what I wanted for my birthday, just then I saw the little red cars and the funny looking “hats” being worn by the men driving these cars. When I told my mother that I wanted one of those funny red “hats”, she smiled and said that she could not buy that because it had to be earned.

My mother went on to explain that those men driving the little red cars were Shriners. They all were very special men who worked hard helping children by supporting a special hospital for children. She told me that she almost took me to their hospital. She said that my problem had been resolved by our doctor. I recall in the depths of my mind, that for a while I wore special shoes with a metal brace attached to them. The brace extended up above my ankle, there is nobody in my family that can verify my memory, so maybe I was almost a “Shriner Child.” This childhood memory left a lasting impression that would be rekindled years later.

I have been given several different answers to the question of “Why did you become a Mason/Shriner?” Some of these reasons are: to become a better man, for the social aspect, for the brotherhood and community, and to have a sense of belonging. Another reason that I have heard on more than one occasion is “to belong to something that is bigger than I am.” I do regret not getting involved with our fraternity at a younger age, however there are some things in life that we cannot control or change.

As the majority of you know, the theme this year is “Come Alive in 2025!” It appears to me that a good percentage of the Al Kader family is taking this theme seriously. We have had an increase in attendance at our socials and the stated meetings. We have had more than 75 attend some of our socials, more than 50 individuals attended our stated meetings. I sincerely thank the clubs and units that have helped keep the costs down by sponsoring a social.

- continue -

Potentate's notes

As of this writing, out of the active clubs/units, I have visited 14 of them. The majority of the time accompanied by one or more members of your Divan. It is my intention to visit all of the active clubs. This year, to date, we have welcomed 27 new nobles into Al Kader Shrine! There are two who are waiting a Cold Sands, as they could not come to Baker City.

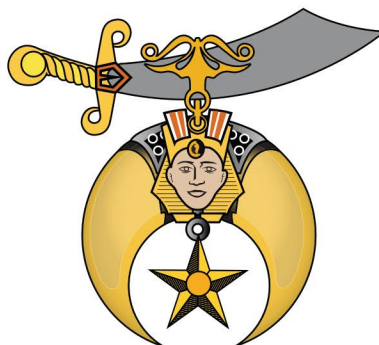

Your Divan is actively working toward a major goal, that is of decreasing the amount of funds drawn from the investments! Obviously, this is something that cannot be achieved overnight. Everyone can help with this goal! You might be wondering how. Well, it is simple. If you have not paid your dues, please pay it. If each noble would pay their dues, it would be a big help!

If you need assistance contact myself or our recorder IS Ron Gamble, there are ways we can help.

I challenge and encourage each and every noble to participate! I am not aware of any club or unit that does not need more nobles to attend their various functions. As a noble of Al Kader Shrine, you have an obligation to help all of the nobility with the various functions. In my opinion we all need to work closer together for the common good of Al Kader and our philanthropy!

If you don't find any of the clubs or units interesting or doing what you would like to do, there is a simple solution! It would take a little work and participation however it can be done. Start a new club or unit, get with those of like interests and make it happen!

In conclusion, I would like to thank Noble Ron Henderson, chairman of the Shriners East-West Football Association as well as all of you that helped with the greatest football game of the year! I also would like to thank every noble, every family member who took time to come to Baker City for this annual charitable event.

Chief Rabban's notes

Fraternal Greetings to Y'all;

In the almost words of General McArthur "We have returned". Your Potentate, Chief Rabban, and Assistant Rabban traveled to Atlanta to represent Al Kader Shrine at the 2025 Imperial Session. We also had the pleasure of having our Grand Master join us for the week. There were over 1,000 Shriners representing Temples from all around the world and more than 20 Grand Master from their respective jurisdictions. We also had the honor of being introduced to the 2025-2026 International Ambassadors, Carlota (from Shriners Children Mexico), the first ambassador from outside the Continental US and Brandon (from Greenville and Philadelphia Shriners Children). I am pretty sure you'll be hearing more about them in the future.

The elections went very smooth and the following were elected:

- Imperial Potentate - Brad Koehn (pronounced Cane)

The new Imperial Potentate has for his theme for the year: "Unity" of all fraternal organizations.

- Imperial CR - Larry Leib
- Imperial AR - Mark Hartz
- Imperial HP&P - Matthew Sturlaugson
- Imperial OG - Marty Bartlett
- Imperial Captain of the Guard - Dale Vrsalovich
- Imperial Outer Guard - Rick Holloway

It was also announced that the next three Imperial Sessions will be as follows:

- 2026 - Tampa (Jay)
- 2027 - Philadelphia (Blair)
- 2028 - Pittsburg (Kris)

And the new Oriental Guide, Imperial Sir Marty Bartlett, announced that in 2029 Imperial Session will be held in Omaha. (Dennis)

The Al Kader reps are, of course, "if elected."

- continue -

Chief Rabban's notes

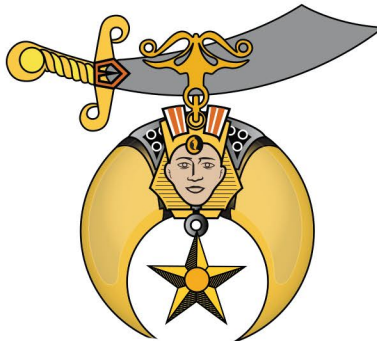

As usual there were numerous legislative Amendments and resolutions to vote on that will affect the Nobles everywhere. Here are some of the highlights:

- Art 5 - mileage and per diem was to reduce the reimbursement of delegates to Imperial Sessions over a three year period and then be totally gone : Defeated
- Art 11 - raise the annual per capita from \$50 to \$70: Defeated
- Art 23 - Temple Membership suspension for NPD procedure: Passed
- Art 30 - Discipline by Temple procedures updated: Defeated
- Art 31 - Temple Bylaws clean up of procedure: Passed

Several articles were introduced about jurisdictional issues between Temples: All Defeated
The Resolutions introduced dealt with joining Shrine Associations and changes of addresses: All Passed

All in all it was a very busy Session but your representatives were present for each and every session and dealt with each legislative item that was introduced.

Finally, the Marketing and Communications Department introduced the newest campaign that will begin to air on media markets across the US and other countries. It is called "Brotherhood for a New Generation" and is intended to reach out to the younger generations to inspire them to join out Fraternity. As a side note I am requesting that each and every Noble look around and find a brother Mason who you feel would experience the fulfilling excitement of being a Noble of the Mystic Shrine. Invite them to go to BeAShrinerNow.com and fill out an e-petition. We can continue to grow strong.

Assistant Rabban's notes

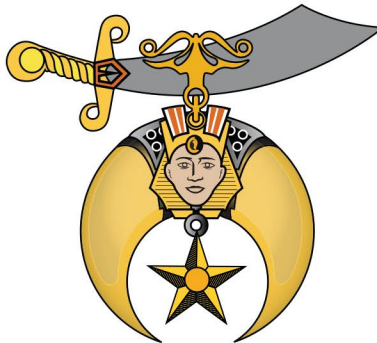

Now is the time for all good Nobles to come to the aid of their temple. Summer is heating up and we are busy as usual. We have several fund-raisers happening in August and September.

The PDXotica, a tiki bar gathering, will take place on August 15-17. This is the first year for this event and we need workers. You might also want to attend the event. The 3rd Annual Shriners Wilsonville Music Festival is scheduled for September 19-21. This is a fun event. And, again, we need workers and you may enjoy attending the event. These fund-raisers are critical to keeping the doors open at Al Kader Shrine center. It is the responsibility of all Nobles to support these events.

In October we will be having a ceremonial, and the Food Caravan on the 25th. The Oriental Band will be having their Western Night as part of those events. Be sure to attend. All clubs and units should be represented as this is an opportunity to meet prospective members for your group. Finally, if you have not paid your dues please do so.

Come to the temple and enjoy the fun and fellowship.

Blair Hill
Assistant Rabban

High Priest & Prophet's notes

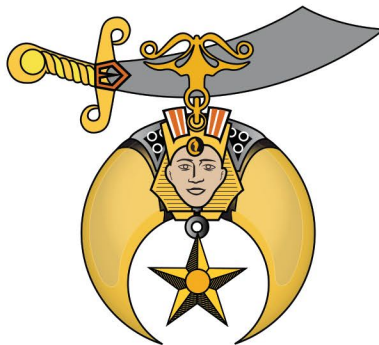

How is August here already? We had a good July. The Molalla rodeo was long days and warm, but we did well. We really got our names out there and support for the Masonic Family. During those four days, I made contact with 8 who wanted to join Masonry, 1 young lady for Job's Daughters and 2 women for Ladies of the Oriental Shrine. To me, this is a win for Oregon Freemasonry.

Then we had the Oregon Shriners East West Football game, and what a weekend this was. If you haven't been to this annual event or didn't come this year, you missed out. I personally looked forward to the cold sands as I got to put a fez on a friend who I helped join Masonry and raised when it came time for his MM degree. Seeing Noble Emery Owen put on our fez and achieving his dream of being a Shriner was wonderful. I expect to see great things out of him and his support for the Baker County Shrine Club and the East West Football Game. Since he was 10 years old, Noble Emery has been part of the East West Game, pulling chains and whatever else was needed. He has been working the scoreboard for a number of years as well.

Now that we are through July, it is time we focus on the next major events at Al Kader. PDXotica is August 14-16 and volunteers are needed. The 3rd annual Wilsonville Music Festival is September 19-21. Lady Winnie Carey needs donations for the silent auction and we always need club and unit sponsorship as well. The Food Caravan is now on October 25th, in conjunction with the Fall ceremonial. We can expect an amazing meal that night and music provided by the Oriental Band as a Western Night. If you haven't had Robert's BBQ or Ralph's baked beans, your life just isn't being lived to the fullest.

Please start to get out there and solicit donations for the Food Caravan. We were nearly \$100,000 in donations and food. Lets try to beat that. I will be sending out information to the clubs and unit with information and would love to have your continued support for this noble event.

Noble Kris Torrey
High Priest and Prophet

Chaplain's notes

What is your vision? What is your vision for yourself? What is your vision for Al Kader? What is your vision for your Lodge? Have you ever thought about that?

Most individuals and organizations have strategic plans. Some have 1 year, 5 year and 10-year plans. I always wondered about the value of 5 and 10 year plans as in today's world that covers a lot of time for change.

However, the value of thinking and planning ahead can be beneficial. Sure, there can be many unforeseen things that can provide change. But it can still be beneficial to plan.

Who is going to take your place in the leadership line in Shrine and Lodge? As I look around our fraternity I sometimes wonder about this as I look around our memberships. I used to know several Lodges that boasted about how many times a Master or Secretary had served. The long-term experience can be helpful, but is it always good? Is it helping mentor and prepare future leaders? Are we preparing future leaders. Who will replace us older members. Are we working on future leaders?

On some other subjects - Do we continue to practice our Shrine Mason precepts and principles? Do we call others, invite and bring them along to Lodge and Shrine activities? Do we call or visit a Brother or Noble we have not seen for a while. Do we invite new members to include them in activities and make them feel welcome? Do we work on, or do we think we are too busy to promote?

Over the years I have been a Shrine Mason I have made the practice of occasionally picking up the phone and calling a Brother I haven't seen for a while. It has led to some interesting and rewarding experiences. Give it a try.

If you are in a leadership role, who are you grooming to replace you?

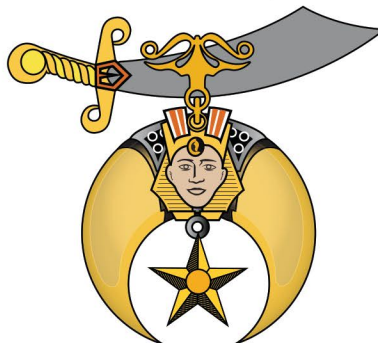

There is always a lot going on at Al Kader. Come join us. You are needed.

"An hour of planning can save you 10 hours of doing." ~ Dale Carnegie

"By failing to prepare you are preparing to fail." ~ Brother Benjamin Franklin

"Dream big plan well work hard smile always".

Hope to see you at Al Kader or your Lodge.

Al Kader Chaplain

Music therapy can help provide comfort during a procedure, act as a distraction to help with pain management, or to improve your child's sleeping patterns. Music therapy also helps build social skills, improve communication, and helps with impulse control.

How Does Music Therapy Make a Difference with Young Children

- Music stimulates all of the senses and involves the child at many levels. This "multi-model approach" facilitates many developmental skills.
- Quality learning and maximum participation occur when children are permitted to experience the joy of play. The medium of music therapy allows this play to occur naturally and frequently.
- Music is highly motivating, yet it can also have a calming and relaxing effect. Enjoyable music activities are designed to be success-oriented and make children feel better about themselves.
- Music therapy can help a child manage pain and stressful situations.
- Music can encourage socialization, self-expression, communication, and motor development.
- Because the brain processes music in both hemispheres, music can stimulate cognitive functioning and may be used for remediation of some speech/language skills.

As of this writing, we are 52 days out from our new annual fundraising event, PDXotica: A Home Tiki Bar Tour. If you are not yet familiar with this event, please check us out at pdxotica.com.

We are planning for 400 attendees for a three day polynesian themed party. Thursday August 14th will be a set up and decorating day. Friday August 15th will be more set up, greeting guests at the airport, and the welcome luau and party, followed by room parties and hospitality rooms over at the Holiday Inn. Saturday starts off with everyone coming back to the Shrine Center and boarding buses for a 5 hour bar tour followed by a short nap back at the hotel. Saturday evening will be another banquet with a tame burlesque show and two bands. And of course, more room parties and hospitality rooms at the hotel. Sunday will be a breakfast at the Shrine Center and another 5 hour bar tour. Airport shuttles will take event goers back to PDX and the cleaning will commence.

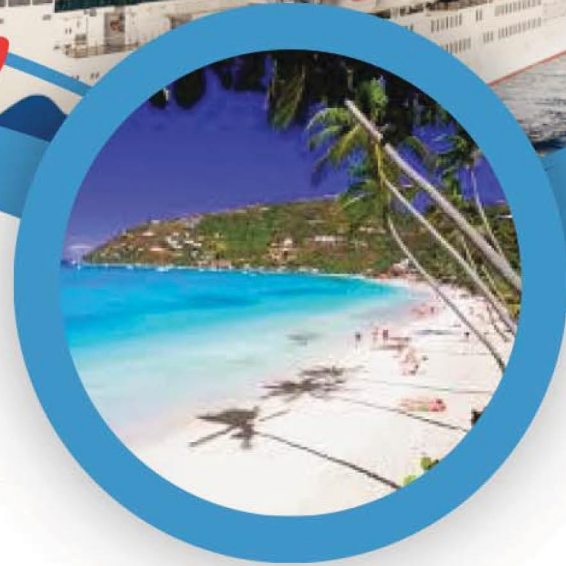

So, as you can see, we will most certainly need all hands on deck. The Oriental Band is putting on the two banquets, and the Caravaners have graciously agreed to provide the breakfasts. However, many more people are needed to help execute this Al Kader event from greeters, ticket sellers, decorators, moving chairs/tables, cleaning up before and after the weekend, bartenders, and more. For your time we will give you a fun Volunteer Hawaiian shirt, lunch, dinner, and the satisfaction of knowing you helped Al Kader work towards our fundraising goals.

Two of our new Shriners from the Spring Ceremonial have come to us from their desire to be a part of this event, two more Masons are wanting to join before the event, and one of our home bar hosts is contemplating starting his journey into the Blue Lodge after speaking with me about PDXotica and the Shrine. I expect more seekers from this event and PDXotica becoming a strong recruitment event in the future as well as an excellent fundraiser. Our goal for this first year is \$30,000.00 for Al Kader, and I can see this event building into a \$100K+ event.

We need you. We need your hands, and your hearts. Please reach out to volunteer some time pdxotica@gmail.com. Mahalo! John Fitzgerald
